Research and Education

Summarize any past research experiences:

Resume and Personal Statement

Attach the following:

- A resume.
- A personal statement outlining 1) How have you prepared for this internship? 2) Include academic courses, extracurricular activities, previous internships, work experiences, and community service. 3) How will the successful completion of your internship relate to your future career and/or academic plans?

Transcripts

An official/unofficial transcript is required in order for the application package to be complete. Please do not have transcripts mailed separately; all transcripts must be included in your application package.

Stipend

Interns will be paid \$100 per week for the number of weeks they complete during the summer. Interns will be paid at the conclusion of the summer program up to \$800 maximum.

Statement of Affirmation and Acknowledgement

I hereby certify that I have provided accurate information on this application. I understand that the Summer Internship Award Selection Committee, in considering me for acceptance, will review my transcript and other supporting documents. I hereby understand that any false or misleading information on my application will result in either the disqualification of my application or dismissal from the Summer Internship.

I, _____, have voluntarily requested that Benaroya Research Institute allow me to participate as a summer intern. I understand that I will be assigned to a research lab and allowed to observe and assist the employees in that department for the purposes of gathering information and experience that I could not otherwise obtain. I acknowledge that this internship is primarily for my benefit and I do not expect to be paid for my time.

Specifically, I agree that:

1. The training and experience I will receive is similar to the training that would be given in a vocational school or other educational setting;
2. The internship and training is for my benefit;
3. I am not displacing an actual employee and will work under close supervision;
4. The company derives no immediate advantage from my activities;
5. I am not necessarily entitled to a job at the end of my internship; and
6. I understand that I am not entitled to wages for the time spent at Benaroya Research Institute.

Signature: _____ Date: _____

For this application to be considered complete the following must be submitted by March 16, 2018:

1. A personal statement.
2. Faculty and personal recommendations (these may be emailed separately as noted above).
3. Current transcripts with GPA.
4. A signed application.
